LETTERS, COMMENTS AND PURE ASS-PLAY

DO YOU LIKE EVA'S TAN CAN?

MORE VARIETY OF ASSES

Dear *BootyLicious,*

I bought your Dec. '08 *BootyLicious* magazine and almost all of the models were black. Now, I have nothing against black women, it's just that I am mostly attracted to white and Hispanic females. And I am pretty sure there are many other men who feel the same way. I would like to make two suggestions. The first is to have an equal amount of white, Hispanic, and black women in *BootyLicious* magazine. The second is to create three different versions of *BootyLicious* magazine. One could be White *BootyLicious*, another could be Latin *BootyLicious* and the third could be Black *BootyLicious* This way, men can choose which magazine they are most interested in.

I think following either one of these options would be good for your business. Catering only to one type of ethnicity only limits the amount of customers you can get. Please take all of my advice into consideration. Readers would love it.–K.W., via the Internet

Dear *BootyLicious,*

I want to make a suggestion about *BootyLicious* that I think will help you cater to everyone. I want to say that there should be a *BootyLicious* with all types of asses that everyone would like. But not just in one magazine. What I mean is that you should have one *BootyLicious* version of just blacks girls, one of just white girls and one for just Hispanics. This should be a new thing that you do to make everyone really happy.–M.B., via the Internet

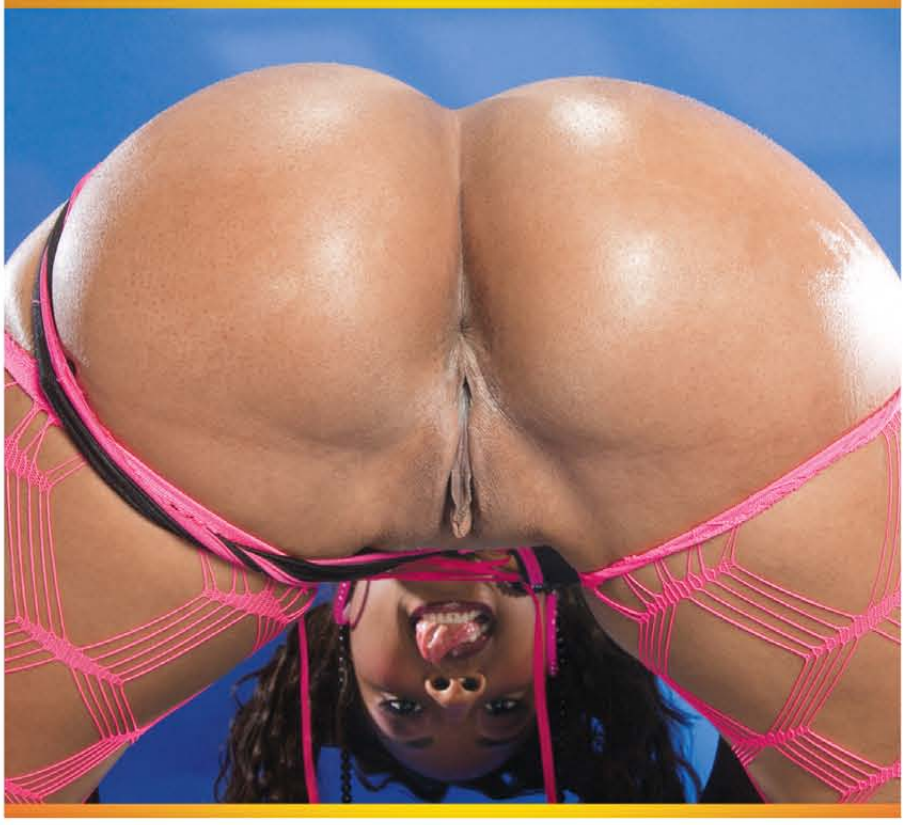

Dear K.W. & M.B.: First of all, thank you for your opinions and emails. We appreciate hearing from our readers via email so we can respond right away. Secondly, we appreciate the idea of catering to every shade of ass with three different magazines and we will consider it in the future. For now, please know that we are making every effort possible to put more white, Latina and black asses in the magazine to satisfy your tastes. Please write in again and let us know how we are doing. For now, please accept these bonus shots of some of our favorite asses. Enjoy, boys!

SUCKERS FOR SAPPHIRA

Dear *BootyLicious,*

BootyLicious is absolutely the hottest ass-porn mag in the world. And you really outdid yourselves with the Dec. '08 issue. Where did you find that heavenly beauty Sapphira? She is undoubtedly the most-gorgeous woman I have ever seen anywhere. I hope that you feature more of her. You featured a photo of her squatting, showing off her cute, feminine feet, perfect skin color and tone, small pussy, perfectly sized tits and her perfect, angelic face. The other models were sexy, too, but none were as heavenly as Sapphira. Please show more of her and her ass. Thanks!–RWS, Tillsonburg, Ontario, Canada

Dear *BootyLicious,*

When I pick up a copy of the magazine at my local porn shop, I am always excited to see who you put on the cover because she is usually the hottest lady in the magazine. When I saw the Dec. '08 issue, I was bowled over by the cover. It was so tropical and Sapphira was so damn sexy. She is my dream girl. A beautiful, round ass in a tiny bikini, frolicking in the surf…it doesn't get better than that. She is the stuff that fantasies are made of. Please bring her back and show us more of this sexy woman. She is the most perfect booty queen and I want to be her king. It was freezing outside, but you better believe that beach bunny Sapphira kept me nice and warm all night. –P.D., Queens, New York

Dear *BootyLicious,*

You guys are booty geniuses. Every time I get a new issue, I am happily surprised and satisfied by the types of girls you put in the magazine. There is always a good selection of asses and ethnicities. It makes your magazine far superior to any other ass mags. Now, if you want to know what the cherry on my sundae was, well, it was Sapphira from the Dec. '08 issue. That woman fills out that tiny red bikini so well that I think I may have fallen in love at first sight. She is a fox. And I think she has become my favorite *BootyLicious* girl of

Dear *BootyLicious,*

I love your magazine and videos. I love to see black girls doing anal with white and Latin guys. I would like to see a series like *Thong Team* have a scene with five black girls and one guy. I want to see one girl wearing a strap-on and helping the guy to DP each girl. It could work with the girl with the strap-on on the bottom and the guy DP'ing each girl from the top. That way you could see the ass. I would also love to see a DP train where some guy is DP'ing a bunch of ladies and Ms. Juicy is wearing a strap-on. I would love to see Ms. Juicy fuck Kelly Starr and Skyy Black with a strap-on while someone was spearing their asses with his cock. I hope you can make this happen for

one of your biggest and loyal fans, please!–B.R., San Diego, California

SENT US SOME SHOTS

Dear *BootyLicious,*

Since the day that I turned 18, I have been a huge fan of *SCORE*. It started with *SCORE* magazine and DVDs that fulfilled my big-boob fetish for years. I still have early issues and treasure them and although I love big boobs, it was hard to find a lot of girlfriends with big boobs. But I did, however, find a lot more girls with big butts. So I changed my fetish and was so happy when *BootyLicious* came out. It was like an old friend had joined the club. I have every issue except the first one and I have watched every DVD. I believe that this magazine is great because it does listen to its readers. I've included some shots for you to consider using in an issue.–J.H., Williamsport, Pennsylvania

Dear J.H.: Thank you for being such a loyal customer and reader. We wanted to let you know that we appreciate your letter and the shots you sent in for us to review. Please know that we have passed your letter and shots on to our studio and photographers. Keep an eye out for your preferred shots soon.

GISELLE GETS THEM GOING

Dear *BootyLicious,*

Wow! Sexy Giselle Humes! I'm still stunned looking at her pictorial in the Dec. '08 issue, I have been reading *BootyLicious* since the beginning of your magazine and I have never jacked as much to a pitctorial as I have to Giselle's. Those pussy lips are jaw dropping and that supermodel face of hers is perfect. The best part is that Spanish-fly fucking ass of hers. She is worthy of a statue being made of her. And she does hardcore, too? Wow! Fuck me! I would want my last day on earth to be spent putting my chong into her cheech.–B.P., Toronto, Ontario, Canada

MORE GIRLS! MORE ASSES!

Dear *BootyLicious,*

I am writing in with some advice on how to make your ass magazine even better. You guys need to make a monthly magazine. And please stop using models you have already featured. Get some new faces and asses in. Thank you.–L.O., Lowell Massachusetts

WE ASKED YOU...

We recently conducted a *BootyLicious* survey where we asked questions about what YOU wanted to see in the mag. We'd like to thank everyone who took time to fill out our survey. The response was overwhelming! We'll be implementing changes based on your suggestions.

"I like anal shots. Especially when the ass is spread wide."–M.R., Arlington Heights, Illinois.

64% said YES ALL THE TIME!
24% said NO, Not that into it!
12% said need balance between anal and other stuff!

Do you think that every XXX pictorial in *BootyLicious* should feature anal sex?

"It's a forbidden zone for a lot of people, so it's a fantasy to see it."–J.H., Williamsport, Pennsylvania.

The Result: Our readers love anal, so we'll make sure to feature more of it in upcoming issues of *BootyLicious*!

Ms. New Booty
Luscious Louis

BY MARIA GUERRERO

Hailing from St. Louis and packing a 46-inch booty that you are going to want to lick, suck and love is our covergirl Luscious Louis. But don't get dazzled by her full lips, slim waist and fat ass, because underneath all that raw sex appeal, Luscious is really a nice girl who just so happens to be in porn. We know that might sound like an oxymoron, but after sitting down with this soft-spoken, smart woman we didn't know if we wanted to fuck her or take her home to mom. This up-and-coming beauty opens up about the trials and tribulations of her newfound notoriety and how she plans to take over the biz in the next couple of years. Keep an eye out for Ms. Louis. She'll blow your mind and your load!

BootyLicious: Hi, Luscious. It's so nice to meet you. Welcome to *BootyLicious* Magazine, home to some of the flyest booties ever.
Luscious Louis: Thank you, it is nice to be here.
BootyLicious: What are you shooting with us today? Are you doing XXX for us? Please say yes!
Luscious Louis: Yes. I am shooting lots of booty stuff.
BootyLicious: So tell us how long you have been modeling and being an all-around sexy lady with a big booty and sexy lips?
Luscious Louis: [*Laughs.*] You are too nice. Thank you. I've been modeling for about four months.
BootyLicious: You're a newcomer. And you are already doing XXX?
Luscious Louis: Yes, I started off doing it.
BootyLicious: And how did you come into adult modeling, Luscious?
Luscious Louis: Well, I met a friend of a friend in St. Louis who was going to help me with my modeling and so I went to Chicago with her to do a show. And she actually represented a few other porn stars and she was doing a tour for them. It was the Bubble Butt tour. So I ended up dancing and going on tour with them to a bunch of different places. Then after a year of that and being able to talk to a lot of people in the industry, I had a better idea of what it was about. At that time, I was more like a person on the outside, looking in. Then I felt more comfortable, so I figured that I would try it out and I ended up doing my first adult scene.
BootyLicious: And how is it going? So far, so good?
Luscious Louis: Yes. So far, everything is really good.
BootyLicious: So, do you still dance in shows or feature at any clubs?
Luscious Louis: I still do my shows and yes, I feature. But mostly I am independent and I do my shows all by myself now.
BootyLicious: You are from St. Louis originally?
Luscious Louis: Yes I am.
BootyLicious: And you only do boy/girl XXX?

Luscious Louis: I do boy/girl, but I have done one girl/girl scene before.
BootyLicious: So, are you saying you are into girls?
Luscious Louis: I am more into guys, but I don't mind being with a woman. My sexuality doesn't scare me. And I have had some threesomes in the past with boyfriends, but I never just go out to try and hook up with a woman one-on-one.
BootyLicious: Do you do anal when you do boy/girl?
Luscious Louis: No, I don't do anal. Not yet, anyway. If I do it, I want to do it further down the line for my website or my own, personal movies. If I do it, that is.
BootyLicious: I am sure in your personal life, guys are trying to get in your big booty 24/7, right?
Luscious Louis: Well, they don't ask me because I am sure that they know that they will get cussed out fast. So they just don't ask. So I haven't tried it in my personal life, yet.
BootyLicious: So when you do it, one day, some day, in a video it will be your first anal of all time? You will be giving up your anal cherry?
Luscious Louis: [*Laughs.*] It's something that I am saving for later on, so one day I can put out an all-anal movie for my fans.
BootyLicious: What exactly is it about doing anal that scares you off at this point in time, Luscious?
Luscious Louis: I'm not scared. I am just not that into it now. But down the line I could be into it. There is always someone telling you to do anal, and I think that I want to save that for down the line. I know plenty of models with prosperous careers who don't do it. When I do it, it will be a decision that I make, not because someone is telling me to. I will do it for me.
BootyLicious: Well, when you do decide to do it, we want to know, okay?
Luscious Louis: Okay.
BootyLicious: Let's talk about your time in Los Angeles for a little bit. We know you started your career over there. How is it different from Miami?
Luscious Louis: Well, this is my first time in Miami, and you guys have been so good to me. Back on the West coast, they are not like this. It's very dog-eat-dog and a totally different atmosphere and market. They don't treat you like you guys have treated me. This is my first time having hospitality and being flown somewhere, put up in a nice place, taken care of. Just the hospitality alone is really good for me.
BootyLicious: Hopefully all of our readers with hot girlfriends with big butts will take heed. We're good to our bootied beauties. Send us your big asses! We treat 'em right!
Luscious Louis: [*Laughs.*] Yeah, it has been very nice being with all of you here in Miami. Thank you.
BootyLicious: It's our pleasure. Now let's talk

"I think it's hot when you call
up your sex partner
and talk dirty to them
until they cum."

about your measurements. Do you know them?
Luscious Louis: Yes, I am 36-26-48. I was 48, but I may be 46 now since I have lost a couple of pounds.
BootyLicious: Well, don't lose anymore. We like your butt now. It's scrumptious!
Luscious Louis: Thank you! I like it, too.
BootyLicious: So with an ass like that, is it tough to shop? We always ask because that is the number one thing that our bootied ladies always mention.
Luscious Louis: Yes, it is. Buying clothes and getting sizes that just fit doesn't work for me. It's hard.
BootyLicious: Well, you are also very tiny, Luscious. How tall are you?
Luscious Louis: I am 5'3.
BootyLicious: You're packing a lot of ass for someone who is so short.
Luscious Louis: Yes, I am. And since I am medium on top and so big on the bottom and my waist is so tiny, by the time I find something that fits my butt, the waist is too big and the legs are too long. It's hard.
BootyLicious: So how do you find clothes that fit?
Luscious Louis: Well, it's a constant battle. I have to get a lot of stuff altered or I try to go to stores that are not urban. It's funny because clothes from urban brands like Apple Bottoms, don't fit me. It's surprising. But if I go to…wait, can I say "white people stores"? Is that allowed?
BootyLicious: [*Laughing.*] Yes, you can say white people stores if you want.
Luscious Louis: Well, if I go to the white people stores like the GAP, I can fit into their clothes. Maybe it's the way that they make their clothes, like, the sewing of them, that just works for me and they actually fit my booty. I end up paying a lot more money for jeans. Like $100-200 because the cheaper stuff just doesn't cut it.
BootyLicious: What kind of clothes do you like to wear when you are out?
Luscious Louis: Well, I used to actually have my

clothes made. My grandmother sews, so I would buy fabric and she would make me clothes. It was nice because I never looked like anyone else. But now, they don't even have shorts that fit me in any store, so I have to improvise.

BootyLicious: How do you improvise a pair of shorts?

Luscious Louis: I buy boyshorts panties, you know, the cotton ones. I will wear those out as shorts sometimes. And my friends flip out 'cause they know they're going to have to watch me and protect me. They have a fun time watching how I react to people's comments and coming up to me.

BootyLicious: What do people say to you?

Luscious Louis: They just make comments about my butt and they hit on me. I have learned to block it out because it happens all the time and has for so long.

BootyLicious: Well, you are out there in panties. We would stare and try our hardest to talk to you, too.

Luscious Louis: Yeah, I know. But now that I am modeling and people recognize me, they approach me a lot more. So now I dress down to kind of downplay my ass. I put on jeans and a cute shirt, or I might even wear tennis shoes, and I don't even like to wear sneakers!

BootyLicious: Do people recognize you anyway? It's hard to hide your big ass.

Luscious Louis: Yes, they do. It doesn't work. I mean, I am usually a redhead, and when I am not modeling, I take the red hair out and they still recognize me.

BootyLicious: Do you have any crazy fan stories?

Luscious Louis: Well, I think that when I got into modeling I knew that people would find out, but I never thought that it would blow up so fast. A lot of people were mad at me because I didn't tell them that I was going to do it. And then of course there were a lot of guys who wanted to be my manager. It was crazy.

BootyLicious: So you hired some guy to be your manager and then…

Luscious Louis: Actually he is my friend. He takes care of my business and deals with the not-so-nice people. We work together.

BootyLicious: Are you a no-nonsense woman?

Luscious Louis: I'm from St. Louis. We don't play. I am usually very easy-going but I don't let people play my intelligence. That really pisses me off.

BootyLicious: So where do you see yourself in the next few years in the biz?

Luscious Louis: Well, I am working with a company that is just starting up and they are based out of Illinois, which is right near me, so I love that. Less travel is great for me. And I actually will be in my first movie that I directed soon.

BootyLicious: It seems like you're very ambitious and all business, Luscious.

Luscious Louis: I want to be like the Jenna Jameson of the black porn industry. I want to take black porn international. I want to branch out. I want to go to the next level.

BootyLicious: What is the next level for you?

Luscious Louis: I am actually experimenting with fetish and different styles like Japanese-style porno. I am working on a film where I get tied up and hoisted up in the air.

BootyLicious: Are you into fetish and bondage?

Luscious Louis: I wouldn't

say I am into it, but I am interested in it. I think that as long as something isn't painful, I'll try it. I don't want to voluntarily put myself into painful situations. I just want to have fun. When I was hoisted, it took two hours just to do the knots, but once it was on, it was pretty cool. So, if that means I can bring fetish into the African-American market, then that's what I will do.

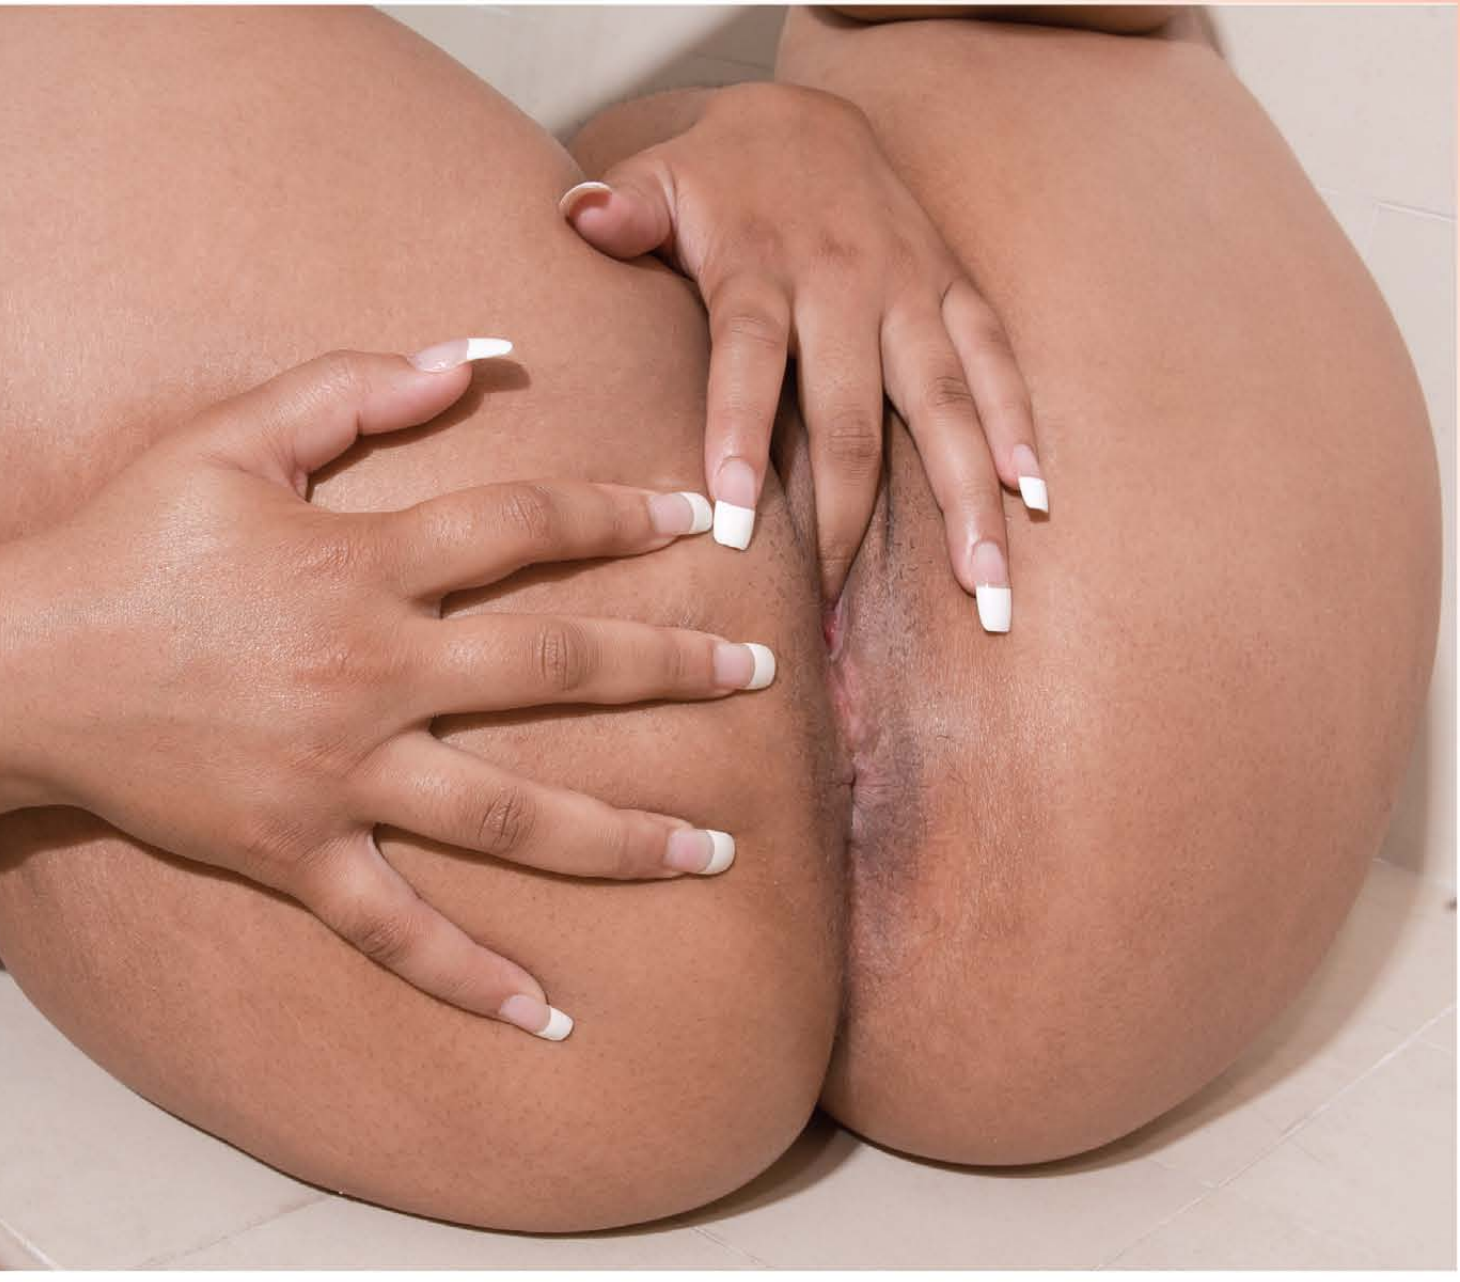

BootyLicious: Do you think that black men really want to see black women doing fetish shoots?

Luscious Louis: I think that there is this misunderstanding that black men are not into it. I think it's just that they have not been introduced to it. I want to show them that it's not just about my big ass; that there are other avenues to explore, too.

BootyLicious: We won't lie; if your ass were hanging out of some black, vinyl fetish outfit, we'd follow you anywhere, Luscious.

Luscious Louis: [*Laughs.*] Thank you. But you know, I am the only porn star in St. Louis, so I am pretty popular in the Midwest. So I think I could influence my fans to be into different things and experiment.

BootyLicious: Speaking of your fans, you're saying you cause quite the stir in St. Louis. When your fans recognize you, how do they approach you?

Luscious Louis: Like I said, I used to always be approached in the past because of my butt, but now that I am modeling and in movies, these guys trip all over themselves to come up to me and try and get with me.

BootyLicious: We bet you hear all sorts of ridiculous things.

Luscious Louis: You don't even know! It's, like, guys will come up to me and say, 'I lost my number, can I have yours?' or sometimes they just stand by me and sort of slobber a lot and stare at me. [*Laughs.*]

BootyLicious: Are any of those fans women? Do you get hit on by ladies?

Luscious Louis: Oh my goodness! Especially the women! Women are so aggressive nowadays. I had a girl come up to me one night at a club and I was in this tight, mini-dress, and it was kind of short. She walked past me, and I mean this happened so fast, and put her hand between my legs. I am talking about up my dress near my pussy and then she walked away really fast,

LEAH SUMMERS
Fresh & Fucked

Welcome to* BootyLicious, *Leah. We want to compliment your booty and that full bush!

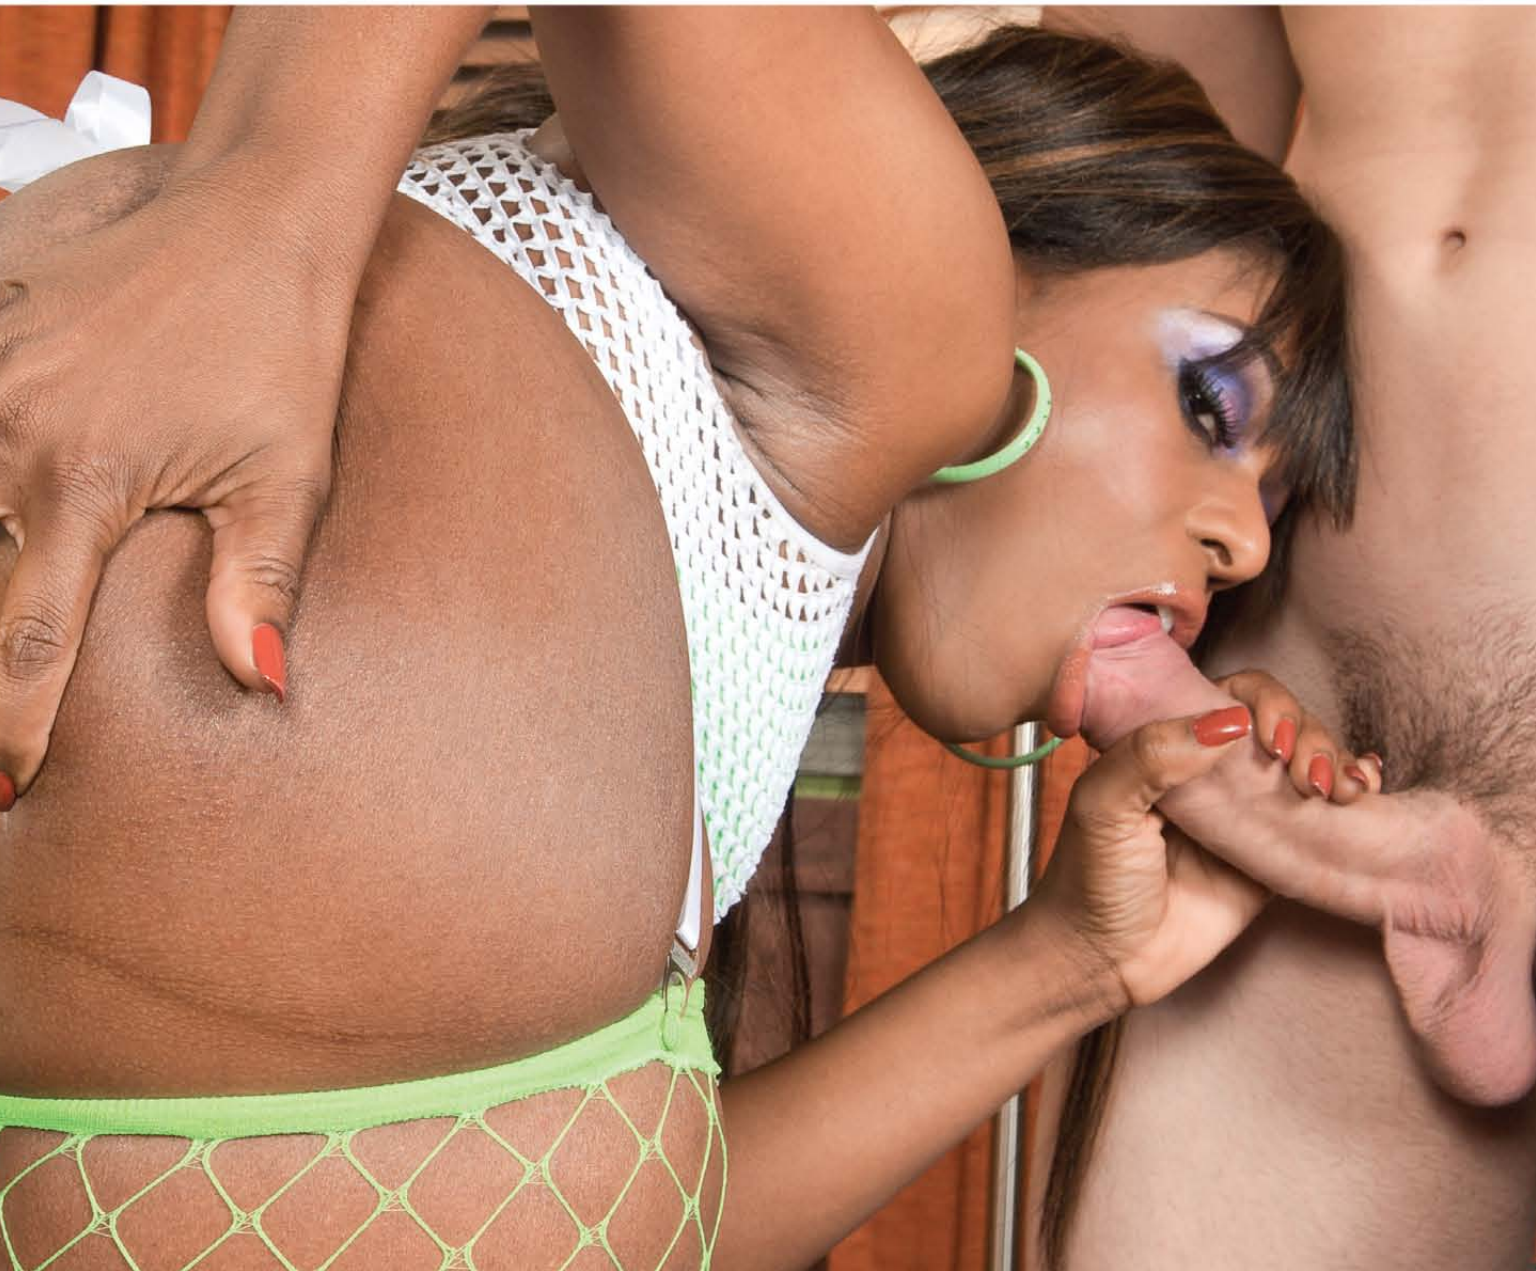

"Thank you, baby. I am excited to show off my bush. I'm a grown woman and I think my pussy looks good with a bush. But, my pussy isn't the main event. It's all about my ass. I can't just have ya'll paying attention to my twat when my ass needs some loving, too. I'm showing off my tight asshole for two reasons: Action and satisfaction. And I'm planning to get both!"

So you're a grown woman who needs some ass loving. Does that mean you're a MILF who loves anal?

"You know it, baby! I have waited too long to unleash my inner freak. You see, my whole life men tried to make me feel bad for wanting to explore my sexuality. I spent a lot of years just having regular, boring sex to satisfy the men in my life. But, now I'm in porn! Now it's all about my needs and my desires. And you know what I need? I need a man to lick on my asshole until it's nice and wet and then I need a hard dick to stretch it out nice and wide. For the first time ever I can cum and it's because I'm finally doing anal."

More power to you, Leah, but that is a pretty big cock. Can you handle all that?

"Honey, I was built to handle big cocks. You know what they say: with age comes experience. Well, I am seasoned and ripe! I have years of experience working dicks. The bigger the better, that's what I think. And the truth is, the more full my tiny asshole feels, the harder I can cum. So you better believe that this dick right here satisfied my sexual cravings!"

RUMP
RECREATION
Lana Sky

Welcome to* BootyLicious, *Lana. Tell us why you like to be naked in the great outdoors.

"Honestly, I love to be naked all the time. But outdoors is even better because I get to feel the breeze on my nipples and pussy and it really turns me on. I love lounging by the pool and relaxing until I get turned on and then I play with my clit."

Don't you worry about peeping Toms?

"That's part of the excitement! I always start off with the intention of relaxing and then I start fantasizing that someone is watching me, so I spread my ass cheeks nice and wide and start fingering my tight asshole. Or I'll lick my fingers and slide them right into my pussy and start masturbating. Once, I did get caught by a neighbor."

Wow! So you got caught and then what happened?

"Well, actually, I think he got caught. I was moaning loudly and then I heard this noise and when I looked over, I could see him jerking off through the fence. Instead of freaking out, I casually told him, 'Why waste all that nut? Come over here and give it to me.' So, he jumped the fence and fucked me right there."

LUSCIOUS LOUIS

sniffing her fingers. I was so caught off guard. I just stood there in shock.

BootyLicious: That's totally crazy!

Luscious Louis: Yeah. And it's, like, I am not the type of person who wants to change my life because of people recognizing me, but now I know that I have to. I mean, I have had people follow me home and it's scary.

BootyLicious: That's because your ass if so fine. That's the power of the ass.

Luscious Louis: [*Laughs.*] Yeah, the power of the ass makes people crazy.

BootyLicious: What's your idea of the perfect date, Luscious?

Luscious Louis: Well, I love to shop. We have a place called The Loop in St. Louis where there are a lot of boutiques and I love to go there and shop. You get things that no one else has.

BootyLicious: So a guy has to take you shopping. What else?

Luscious Louis: I like this place called Fridays because they have steak, and I am a steak eater. I love steak.

BootyLicious: Okay, so it's best to take you shopping and then take you to eat delicious meat. What else?

Luscious Louis: Yes, but as long as it's not fried. I hate fried food.

BootyLicious: We're sure that all your fans are reading this and taking notes. What do you do in your spare time?

Luscious Louis: I am going back to school. So that takes up a lot of time.

BootyLicious: What do you study?

"I like to wake up in the middle of the night and start sucking. They don't know what's going on and they wake up with their cock in my mouth."

Luscious Louis: I am finishing up and getting into law school. That is my dream, to be a lawyer and now that I am in this business, I want to be an entertainment lawyer.

BootyLicious: Booty and brains? That's a very sexy combo.

Luscious Louis: I think it's important to have a good head on your shoulders. I would like to eventually work helping girls like me in this industry and take care of their better interests.

BootyLicious: Okay, let's talk about something along those lines. Let's talk about your favorite positions.

Luscious Louis: [*Laughs.*] Wait. But that has nothing to do with what we were talking about just now.

BootyLicious: Yes, but we must admit that our minds are always in the gutter. What can we say? We love booties.

Luscious Louis: All right. Well, I like missionary. That's the best position for me to get off in. It's easier for me to cum that way. But I watch things that I have done, and I like to critique myself and I know I have to switch it up.

BootyLicious: So you are versatile.

Luscious Louis: Yes. I like to keep it fresh and to project that I am enjoying myself. You know what's crazy?

BootyLicious: That your booty is so damn fine and a few feet away?

Luscious Louis: [*Laughs.*] No, that most of the women in porn are lesbians. That they go through the motions and then go home to their girlfriends. I am not a lesbian. I am able to emote and enjoy myself when I am having sex on camera.

BootyLicious: But you are a freak, right, Luscious?

Luscious Louis: You know, people meet me and they never believe that I am in porn because for the most part, I am quiet. I am very reserved and I don't like to act crazy in my personal life. In fact, I am extremely shy.

BootyLicious: That's impossible.

Luscious Louis: I swear. In fact, when I was a child, I was a tomboy. I liked to play football and climb trees. I mean, my mom had to force me to wear dresses and do my hair and then I remember going to school like that and having all the boys go crazy about me and then that's when I realized that there was power in being girly.

BootyLicious: So, being that you grew into your "girly-ness", are you friends with a lot of chicks now?

Luscious Louis: Not really. You see,

Booty

We'd like to extend our warmest and horniest welcome to your juicy bubble butt, Ms. Foxx.

"[*Laughs.*] My bubble butt and I thank you. I am so excited to be posing for *BootyLicious!* It's, like, one of my fantasies. I used to date this guy who was obsessed with your magazine and then I caught him cheating. This is my revenge. I hope he opens up the mag and sees my photos and dies from shock and then gets eaten up by the reminder of what he lost!"

We are pretty sure that these pics will remind him. His loss is our gain!

"You know it is! He used to always say I didn't have enough ass to be in your mag, but just because I am petite doesn't mean my ass isn't nice and round, right? I used to think it wasn't but then a few of my girlfriends were cupping my ass cheeks one night at a club and they told me I should pose because my ass was so juicy and firm. They convinced me to show all of the horny guys out there what I got."

So your "girl-friends" feel up on your ass all the time? What else do they do with it?

"[*Giggles.*] I like it when women touch me. It gets me so horny. I think that women can touch my pussy and ass in ways a man can't because they take their time. But that doesn't mean that a man can't satisfy me because nothing makes me feel better than a man's big hands on my body and a big dick ramming my pussy. I like being fucked pretty hard!"

Hershey Bryant

Feelin' on that Booty

Hershey, when we saw you in the June '08 issue, you were horny. Looks like you got the cock you wanted.

"I sure did. I needed to be fucked and when Johnny started feeling on my big ass and massaging it, I told him, 'Why don't you grease up my pussy, too and slide that big thing in me?' He was happy to oblige. Who could say no to this 48-inch big booty in their hands while they give me some slow strokes from behind? No one."

We couldn't say no, that's for sure. Did he fuck your ass, too?

"I let him stick his tongue in my asshole and that felt so good! And I can't lie…I thought about letting him put it in my ass when he was grinding his dick in my pussy, but I was so close to cumming that I didn't want him to stop fucking me. That's what happens when I am getting it good in doggie-style. Once I start in that position, I know I'm cumming ASAP!"

Kelly Starr
COLOSSAL CABOOSE

BY MARIA GUERRERO

I prefer an uncircumcised dick.
It just turns me on!
It's like a sweet banana.
I just devour them!

Kelly Starr is the type of woman who will charm you with her smile and sweet disposition and then, when you least expect it, she will rock your fucking jock with her nasty talk and horny sex skills. At first glance, she might just seem like a woman with a larger-than-life personality. That is of course, until she turns around and shows you her larger-than-life ass. That's when you know that you are dealing with a lady who might just like sex more than you do. We had the pleasure of discussing quite a few things with Ms. Starr and she set the record straight about smothering men with her rump, what kind of man turns her on and turns her out and how she plans to make it big in this business. Once you read a little bit about Kelly, We suggest you turn to page 89 and get a copy of her new movie Thong Team. *Trust us when we say we've seen a lot of anal fucking, but Kelly's scene in this flick is one of the best, ever. There's nothing like a woman who loves a big dick in her ass. Kelly is one of our favorite stars!*

BootyLicious: Hi Kelly. Welcome back to *BootyLicious* mag.

Kelly Starr: Thank you so much for having me back.

BootyLicious: Now, the last time we saw you, you were doing some serious anal XXX in the Oct. '08 issue. What have you been up to since then?

Kelly Starr: You know, a little bit of this and that. There's a lot going on with me right now. I stay busy.

BootyLicious: Well, we want to hear all about it, but let's start with the preliminaries. First, what are your measurements?

Kelly Starr: My measurements are 34F-29-51.

BootyLicious: 51 inches of ass? That's ass for you AND a friend. How tall are you?
Kelly Starr: I am 5'7".
BootyLicious: Wow! That's impressive. Let's do the math. That means you are 67" inches tall and your ass is 51". That's incredible!
Kelly Starr: [*Laughs.*] Well, since you put it that way, I guess that it is pretty amazing that it's so large.
BootyLicious: So, aside from being an ass phenomenon, what kind of projects have you been doing?
Kelly Starr: I like that you called me an ass phenomenon. That's accurate. I like that. Well, first I am a porn star, of course. But I am also an aspiring author.
BootyLicious: An aspiring author? What are you writing? A book on big asses? Advice on how to make your ass huge and sexy?
Kelly Starr: Right now I'm writing a book about a stripper from Los Angeles who gets caught up in all the fast money and hustler's life. I know, it's a big stretch of imagination, huh? [*Laughs.*] But seriously, I have always loved writing and I've seen so much in my life that I think would make for great stories. I have to share my life experiences with the world!

"I have some of the best orgasms from anal and get the wettest when I'm sucking a guy's dick."

BootyLicious: We think you're interesting and hot. We'd buy your book.
Kelly Starr: Thank you.
BootyLicious: Now, we know you were a dancer for a while; do you have any crazy stories about those years of your life?
Kelly Starr: Well, I was an exotic dancer for 10 years. And during that time, a lot of crazy things happened. If I had to choose one story, it will have to be the wig story.
BootyLicious: The wig story? This already sounds good. We are all ears.
Kelly Starr: Well, this one time I was on stage at the Barbary Coast in Gardena, California, and I was supertipsy. My two home girls and me decided that since the club was so packed we would all go up together and put on a show and split the money three ways. So we're up on stage looking sexy as hell; at some point I was on my back with my legs up in the air, spread-eagle. My two home girls were standing on either side of me shaking their booties, too. I had a long wig on and one of my home girls was unknowingly standing on some of my hair, so when I went to get up, the wig stayed down! I sat up and realized the wig was off and at that time this song was playing by this rap artist named Petey Pablo where he says to, "Raise up! Take your shirt off, twist it around your hand and spin it like a helicopter." So I picked the wig up and waved it around my head like a helicopter! I never missed a beat and kept dancing the whole time, though! Everyone in the club was dying laughing and guys came running up to the stage flooding it

with dollars! We were all laughing hysterically. It was a little embarrassing, but I played it off and turned it into something funny. The good thing is that we made so much money that night.

BootyLicious: That is hilarious! You sound like a serious performer, Kelly. Do you still dance now?

Kelly Starr: I actually still feature. My stage show is basically a lot of booty shaking and ass tricks. For someone who doesn't do pole tricks, or the splits and all that, I put on a hell of a show! I always have really great costumes, and my intros are always very dramatic. I don't disappoint.

BootyLicious: Is there anywhere that your fans can see a schedule and get info on when and where you will be featuring?

Kelly Starr: Yes, my website is *kellystarrxxx.com.* I know that there are a lot of sites that claim to be me, but this is really my site and 100% me. I promise!

BootyLicious: Okay, Kelly. Since we have you here and you are truly blessed in the

trunk area, we are going to ask you this question because we believe in your ass-pertise. What makes for a good ass? What should we be looking for?

Kelly Starr: I'm glad you asked, because there is a science to this. I have put thought into this. To me, a woman has a good ass when it measures at least 36 inches. It has to be at least 36 inches, but her waist has to be a minimum of 10 inches smaller than her ass is. Oh, and her waist cannot be greater than 30 inches wide, either. The greater the ass to waist ratio is, the better. For instance a woman with a 40-inch ass has to have a waist of 30 or smaller, the smaller her waist the better, but it may not exceed 30 inches. Look at my body as a reference. I have a 51-inch ass and 29-inch waist. That's an ass to waist ratio of 22 inches. That's what you call a badunk-a-dunk!

BootyLicious: Thank you, Kelly. Now we all know the science behind the ass. And knowing is half the battle.

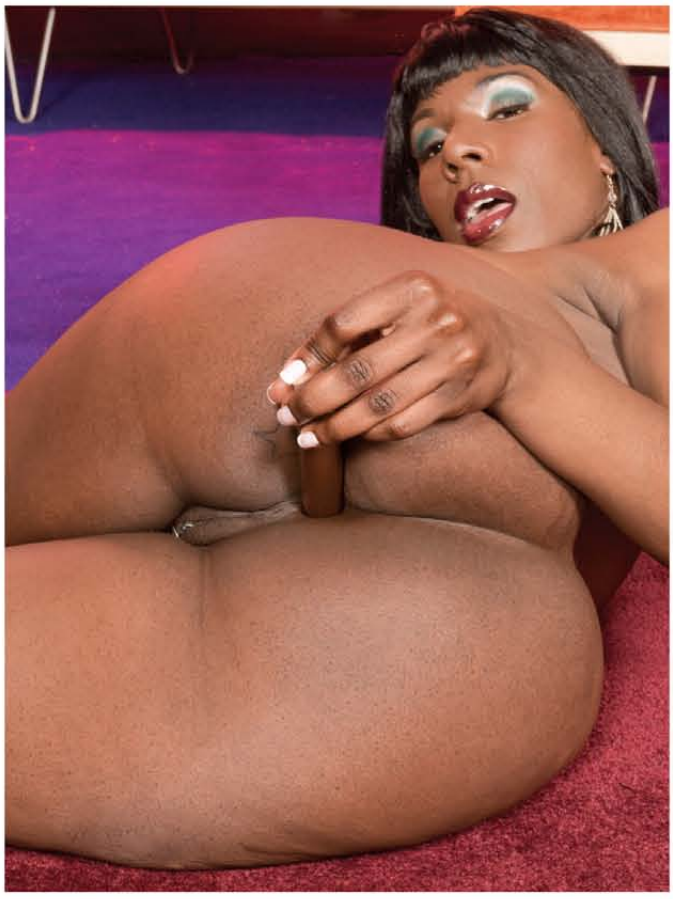

Kelly Starr: [*Laughs.*] No problem. I am glad to educate all of you about asses.

BootyLicious: So, here's another question that you might be able to tackle for us. In the early days of porn, big tits were all the rage. Why do you think that asses have become the "it" factor for women?

Kelly Starr: Like every thing else, it's a fad. Back in '02 and '03 the "in" thing was barely legal schoolgirls. Then it was gaping and midgets. Now it's big asses, fat girls, squirting and MILFs. I believe Buffie The Body made enormous asses fashionable. I mean, black men have always loved big asses, but Buffie and other models like Ice T's wife Coco and ladies like Kim Kardashian made big asses mainstream by getting the attention of the white community. So now it's the "in" thing. Whatever. It's a good thing for me either way because I have ass and tits, so when big asses are no longer popular, I always have my tits as a backup plan. Everyone loves big tits, right? [*Laughs.*]

BootyLicious: We don't think that your ass will ever go out of style. It's too big and, dare we say, magical?

Kelly Starr: [*Laughs.*] Let's hope not then, because I love my ass too much for it to be forgotten by my fans.

BootyLicious: Is it okay if we talk about sex, Kelly?

Kelly Starr: Of course.

BootyLicious: What are you into sexually?

Kelly Starr: I love anal. Oh, and I love giving head. I get the best orgasms from anal and get the wettest when I'm sucking a guy's dick. And I like to dominate guys, especially white guys. They make the best submissives. I like smothering them with my ass!

BootyLicious: Do you branch into any other fetish besides ass smothering?

Kelly Starr: Not really. But I really love the fashion of the fetish world. I'm into the latex and leather. But other than that I guess I'm just kind of an old-fashioned girl. Regular fucking suits me just fine! [*Laughs.*]

BootyLicious: Tell us. What is the best way for a guy to get you off, Kelly?

Kelly Starr: The best way is to give me some really good oral. I love when a guy or

VICTORIA CHANCE
Newbie
Booty

***Victoria, tell the readers how we smuggled you away from our sister mag*, Naughty Neighbors.**

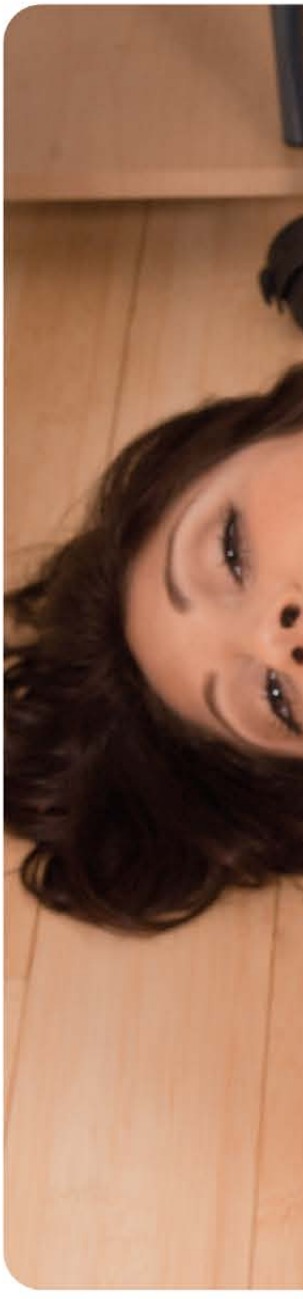

"[*Laughs.*] Yeah, you guys broke the law! I was shooting for them originally and then, all of a sudden, I was being approached all on the down low and you guys whisked me away to your offices with my sets in tow. It was pretty funny. And to tell the truth, it was so great because I love *BootyLicious* magazine. And in the end, I get to be in the mag, which is so sexy!"

It was all because of your puckered, gaping asshole. We couldn't say no to that cutie caboose.

"Yeah, a bunch of guys have told me before that my asshole looks really inviting. I am glad you guys liked it so much. I just wanted to make some extra cash from modeling so that I could pay for college. I wasn't really excited about it. But when I found out that *BootyLicious* was stealing me away, I actually got really horny. *BootyLicious* was one of the first porn magazines I ever looked at with one of my first boyfriends. He was ass obsessed! And because of your magazine, I did anal with him for the first time. I thought it was going to hurt, but it actually felt really naughty and really good. I didn't cum the first time we did it, but we kept practicing and eventually, I was able to have an anal orgasm and it was the best sex I've ever had. I guess I owe it all to you guys and your fucking hot pictures of sexy girls with big booties. I may just want to do a lezzie scene with a big-bootied chick now, too!"

LUSCIOUS LOUIS

continued from page 36

there is a lot of petty jealousy and I can't be about that. Most chicks think that I want to take their men and that is not even what I am all about. I find that most girls are all about drama.

BootyLicious: We said it before,

you're all business and pretty level-headed, Luscious. We like you.

Luscious Louis: I am. I am driven.

BootyLicious: So are you excited to be in *BootyLicious* magazine?

Luscious Louis: Yes, I am excited to reach out to all of your readers and show them what I am about.

BootyLicious: Okay, so the stylists are motioning me that you have to go into wardrobe. I am going to wrap this up, but let me ask you some quick, in-depth questions, Luscious.

Luscious Louis: Okay. I'm ready.

BootyLicious: What kind of panties do you like to wear?

Luscious Louis: I like cotton panties. Like, the high-waisted ones.

BootyLicious: Wait. Wait, wait, wait. Did you just say you wear grannie panties? Say it ain't so, Luscious!

Luscious Louis: Well, yes, I do.

BootyLicious: [*Laughs.*] Oh, no!

Luscious Louis: [*Laughing.*] I don't care what anyone says! I am comfortable in those panties!

BootyLicious: Okay, we won't imagine you in panties. Let's move on to

head. Do you like to give it, or are you a taker?

Luscious Louis: I like to give it. I like to wake up in the middle of the night, roll over and start sucking so that they don't know what's going on and they wake up with their cock in my mouth.

BootyLicious: You've just made up for the grannie panties. What is the secret to the perfect blow job?

Luscious Louis: Don't bite anyone! That's what guys tell me all the time. They can imagine whatever they want when you are down there, but biting is a no-no.

BootyLicious: What about balls? Is giving love to the balls important?

Luscious Louis: In my experience, men's balls are sensitive, so I tend to just use my hands on them.

BootyLicious: What about dirty talk? Is it cool with you?

Luscious Louis: I like it. I think it's hot when you're far away from the person you are with and you talk dirty to one another on the phone. It's kind of like teasing on another until you can fuck.

BootyLicious: What's special about your ass? What's the best thing about it?

Luscious Louis: Well, I just learned how to make it clap. And I can make it vibrate.

BootyLicious: Those are some very beautiful things.

Luscious Louis: Yes. And I am about to take some pole classes, so I can learn some new moves, too, and keep limber for my scenes.

BootyLicious: It's all about being limber. And on that note, we are officially out of time. It's a shame because you're such a pleasure to talk to. And because now your booty will be leaving our personal space and we just might cry. Thank you for giving us your time today, Luscious. Come back, soon.

BootyLicious: So, if you could do something sexual that you have never done before, what would it be?

Kelly Starr: I want to be DP'ed by two sexy women with big strap-ons. That sounds like a lot of fun.

BootyLicious: Is it because a woman can offer you something sexually that a man can't? Or Emotionally?

Kelly Starr: The whole strap-on fantasy came from the fact that I like to be penetrated in both holes at the same time. But something about two men being that close together inside of me really turns me off. I've done DP scenes before but I never was really comfortable with them for that reason. As a matter of fact, I no longer do DP in my scenes. So, I thought two chicks with strap-ons would be the best way to go. [*Laughs.*] Sexually, women are just more sensual, soft and basically, I like to eat pussy and a man just doesn't have one. As far as romantically and emotionally, a woman is usually more in tune with that kind of stuff and far more sensitive than men.

BootyLicious: Now, when you are with a man, does he go for your humongous ass or your big tits first?

Kelly Starr: Most men focus on my big ass, but of course a lot of men love my tits. It's usually one or the other with men. But I think that men will always love huge tits simply because they don't have them. That's why big boobs really fascinate them.

BootyLicious: Amen to that! We like big tits, too. Now, we always ask this question because we figure you ladies can give your fans the best advice. What's the best way to hook up with you? How should a guy approach you?

Kelly Starr: First of all, never call me Kelly, because then I automatically figure you're looking for a freak and don't want to get to really know me. Or I'll think that you're just caught up in the whole "fucking a porn star" fantasy. Either way, I won't be feeling you at all. Just be a gentleman, be charming, and confident. Make me laugh. That's the best way to get to know me. Try to look at my face, not my tits!

BootyLicious: And what kinds of dates do you like to go on?

There's a lot to say about a chick with a big, fat booty who wants to spread her mammoth cheeks wide so you can give her some of your beef. Why do booty lovers prefer wide asses? They love the idea of those full, heavy cheeks clapping on their cocks with every stroke. Check out Cherokee D'Ass and her colossal caboose and imagine that ass engulfing your dick. Her ass is so big that it's almost too much ass to handle. Almost…but not really.

We might just be speculating, but it seems like the larger a lady's ass is, the bigger freak she is in the bedroom. Big-cheeked freak, Thalia Tate (*left*) likes to smother men with her ample ass. And Skyy Black (*below*) loves to get a stiff one between her bodacious buns. "Hit it, Daddy, because I like a big dick all up in my ass. And I'll do what it takes to satisfy you."

KELLY STARR

continued from page 70

Kelly Starr: I like to hit up a comedy club. Or maybe get reservations at a five-star restaurant. I like getting flowers and sharing a nice bottle of wine and great conversation! Maybe we can go out on a more laid-back date, too. We could hit up a strip club with a purse full of ones, have a couple of Heinekens and maybe shoot a few games of pool! I'm into that, too.

BootyLicious: And what kind of guys do you prefer to date?

Kelly Starr: I like all types of guys as far as race and ethnicity goes. As long as he is confident and successful, then he has a chance. A powerful man is the sexiest thing in the world to me. As far as their dicks go, I am probably in the minority of women who prefer an uncircumcised dick. I don't know what it is but it turns me on! It's like unpeeling a sweet banana. I could just devour them! They are delicious! [*Laughs.*]

BootyLicious: Since you brought up dick and how you like it, what is the truth behind the idea that "size matters"? What is a good size to you?

Kelly Starr: I can't speak for anyone but myself. As long as you're bigger than five inches and smaller than 10 I'm good. Anything smaller than five, I won't feel. And anything bigger than 10, I wouldn't want every day.

BootyLicious: What kind of food do you like to go out and eat?

Kelly Starr: I'm a steak and potatoes kind of girl. Give me a good steak, medium to medium-rare and some garlic-mashed potatoes and I'm good to go! Wait, wait. Now, I don't mean that I'll fuck you for food; I'd just be really appreciative. [*Laughs.*]

BootyLicious: Darn! I am sure there are guys running out to get steak and potatoes right now.

Kelly Starr: Mmm! That sounds good. That would hit the spot right now.

BootyLicious: We're sure you get hit on a lot, so we won't ask you about that. But, do you like that attention from men? Do you dress to encourage men to look and hit on you?

Kelly Starr: I always dress down, actually. I try my best to downplay my curves because I don't like the attention. I mean I love it when I'm featuring at a club, or signing at a convention, just not when I'm at the mall or grocery store or carwash. I never get recognized on the street anymore because I look completely different

when I'm not working. I wear sweat suits with tennis shoes or jeans and t-shirts with my Ugg boots.

BootyLicious: Can you tell us an embarrassing moment you've gone through because of your ass.

Kelly Starr: Well, it's a struggle to get my jeans on and a few weeks ago I was pulling them up by putting my fingers in the belt loops and I was pulling so hard I ripped them and basically pulled my belt loop off! These weren't cheap. They were $200-jeans! I guess I just exceeded the maximum amount of ass allowed in them. [*Laughs.*]

BootyLicious: Is it hard for you to find clothes that fit your top and bottom and little waist?

Kelly Starr: Extremely difficult. I can no longer wear the designer jeans like 7 For All Mankind and True Religion. They don't go past a 34. I also can't fit into the cute sweats they sell at Abercrombie and Victoria's Secret so it's a little frustrating to shop. I sometimes have to get my jeans altered. I go to the same seamstress as Buffie the Body and Cherokee D'Ass go to.

BootyLicious: What kind of panties can you wear with an ass like that?

Kelly Starr: I mostly wear boy shorts.

BootyLicious: Do you find that there are certain brands that cater to big-bootied women like yourself?

Kelly Starr: I have some that I've had altered, but mostly Baby Phat and Apple Bottoms. I also have a pair of DCups. They're from that girl Deelishis from the *Flavor of Love* show. They fit really well and I plan on buying some more. Mostly, I really wear a lot of non-designer name-brand clothes.

BootyLicious: Does your ass ever bring you drama? You know, like jealous girlfriends getting mad at their men for checking you out?

Kelly Starr: Of course. That's another reason why I like to downplay my sexiness. If I go out dressed sexy I get the most hateful looks from women. Most times they are nasty and rude and make comments amongst themselves about my "fake tits" and my big ass. If I wear sweats and tennis shoes and no makeup, those same women are smiling in my face, being friendly and asking me questions about the best thread count to buy when purchasing fine linens. [*Laughs.*]

BootyLicious: That's serious hating. But you seem to handle it well.

Kelly Starr: It comes with the territory. I think I just let it slide because I don't want to play into that.

SARA SIREN RUMP REMEDY

Welcome to* BootyLicious, *Nurse Siren. We think we might be sick. Maybe you want to give us some booty TLC?

"That depends. First I need to run some tests to see what kind of care you require. First, I'll bend over and wiggle my ass in your face to test your reflexes. If I reach around and you have a hard-on, then I move on to taking your temperature. I will put your big cock in my mouth. If it's warm to the touch and not too hot, then I know you don't have a fever. Then I will ask you to spread my ass open and lick. If you can get it nice and wet with your spit, then I know you aren't dehydrated."

Wow! You're a good nurse, Sara. You are very hands-on. We like that.

"My motto is, 'Good sex and blow jobs can cure any ailment,' so there isn't much I can't handle. I like to take care of my men, too. I am one of those women who think that men like to be cared for and babied just a little. So that's what I do. But I get mine, too. I don't mind showing up in this sexy nurse's outfit with chicken soup when you are feeling sick, but I need to be cared for, too. So, after I've made sure that you're comfortable, well-fed and have had a thorough exam, then you have to pay me for my services. That means I am going to sit on your face and ride it until I smear my cum all over your chin and lips."

You've got quite the booty for a white girl. Do you like anal, too?"

"It depends. A lot of guys see my ass and they want to fuck it right away. I don't play that. I only give my asshole up to guys who can rock my world. I am talking about the kind of sex that leaves me exhausted and worn out. I love cumming and good sex to me means the guy is more about me cumming a lot than he is about busting his load. If he has stamina, he can have my ass."

Okay, let's say a guy has made you cum a bunch of times. What's the best way to ease into anal?

"It's a process. The first requirement is to make me cum a few times. But a guy has to know what he is doing, too. You can't just ram your dick in there like it's all good. It has to be slow and sexy. I need a man to talk some serious dirty-talk, too. And we need lots of lube! I don't mind if he spits on my asshole, though. I think that's fucking sexy! And then he has to play with my pussy while he is easing his cock into my asshole nice and slow. Let me get used to your dick in there and then speed up gradually. I think that guys need to give control to the girl when it comes to anal. If she calls the shots, then she will be more willing to let him fuck her asshole often."

KELLY STARR

continued from page 80

BootyLicious: Let's talk about your most-recent flick, *Thong Team.* We love your anal scene in this movie.

Kelly Starr: Thanks! I loved filming *Thong Team.* I liked working with Skyy and Ms. Juicy and all the guys were great, too! The whole experience was really good. My only complaint is that I think it would have been cool to do some playing in the pool because it was hot as hell in Miami! We were doing some major fucking and it would have been cool to play in the water. Maybe they could've set up a Slip 'N' Slide or something? [*Laughs.*]

BootyLicious: Now, let's ask you some basics. You know, to give us some details about who you are and what you are about. Is that cool?

Kelly Starr: That's cool. Ask away.

BootyLicious: Okay. Tell us what curse word, or combo of curse words do you use on the regular, Kelly?

Kelly Starr: [*Laughs.*] Oh, man! I have a potty mouth. I curse like a sailor. You name it and I say it. I've been using douchebag a lot, lately. It's better than saying asshole, right?

BootyLicious: Hey! We like assholes.

Kelly Starr: [*Laughs.*] Oh, I know! *BootyLicious* mag is full of assholes.

BootyLicious: Yes, tight and inviting assholes. The best kind!

Kelly Starr: Assholes like mine!

BootyLicious: Yours is very nice, too. What kind of music do you like?

Kelly Starr: I like a variety of different music. I am into R&B, rock, alternative and rap. My favorite artist right now is Amy Winehouse. She is our modern-day Billie Holiday. She is one of the most-talented artists to date. It's a shame she's a fucking crackhead.

BootyLicious: Wasted talent. It's a shame. Well, it looks like we are getting to the end of our time together. Tell us your personal philosophy.

Kelly Starr: 'It is better to be hated for what you are than to be loved for what you're not.' That's my mantra. I never make apologies for being me. Either you love me or you hate me. I mean, I would rather be loved, but I won't loose any sleep if you hate me. At the end of the day, I know I'm a good person. I can't be anything else.

BootyLicious: We wouldn't want you any other way, either. It has been a pleasure, Kelly. Thank you so much.

Kelly Starr: Thank all of you for having me. This was a pleasure. **B**

Kapri
Styles
creampie
caboose

Kapri, welcome to* BootyLicious *and thank you for sucking on that cock with so much gusto.

"No problem! I love sucking on cock. And I'm not one of those girls who says she loves it and then goes down without any excitement or energy. I can't stand trick bitches like that. They give girls like me, who love it and do a good job, a bad name. For me, cock-sucking is my way of giving a little bit in order to get a little bit back 'cause when I suck a guy's dick, I like to get it nice and dripping wet with my spit so when I think it's nice and rock hard, I can look up and say, 'Now, why don't you turn me around and see how quick you can slide that wet cock in my asshole, baby?' Guys love it when I do that."

Do you do any tricks when you suck dick, Kapri?

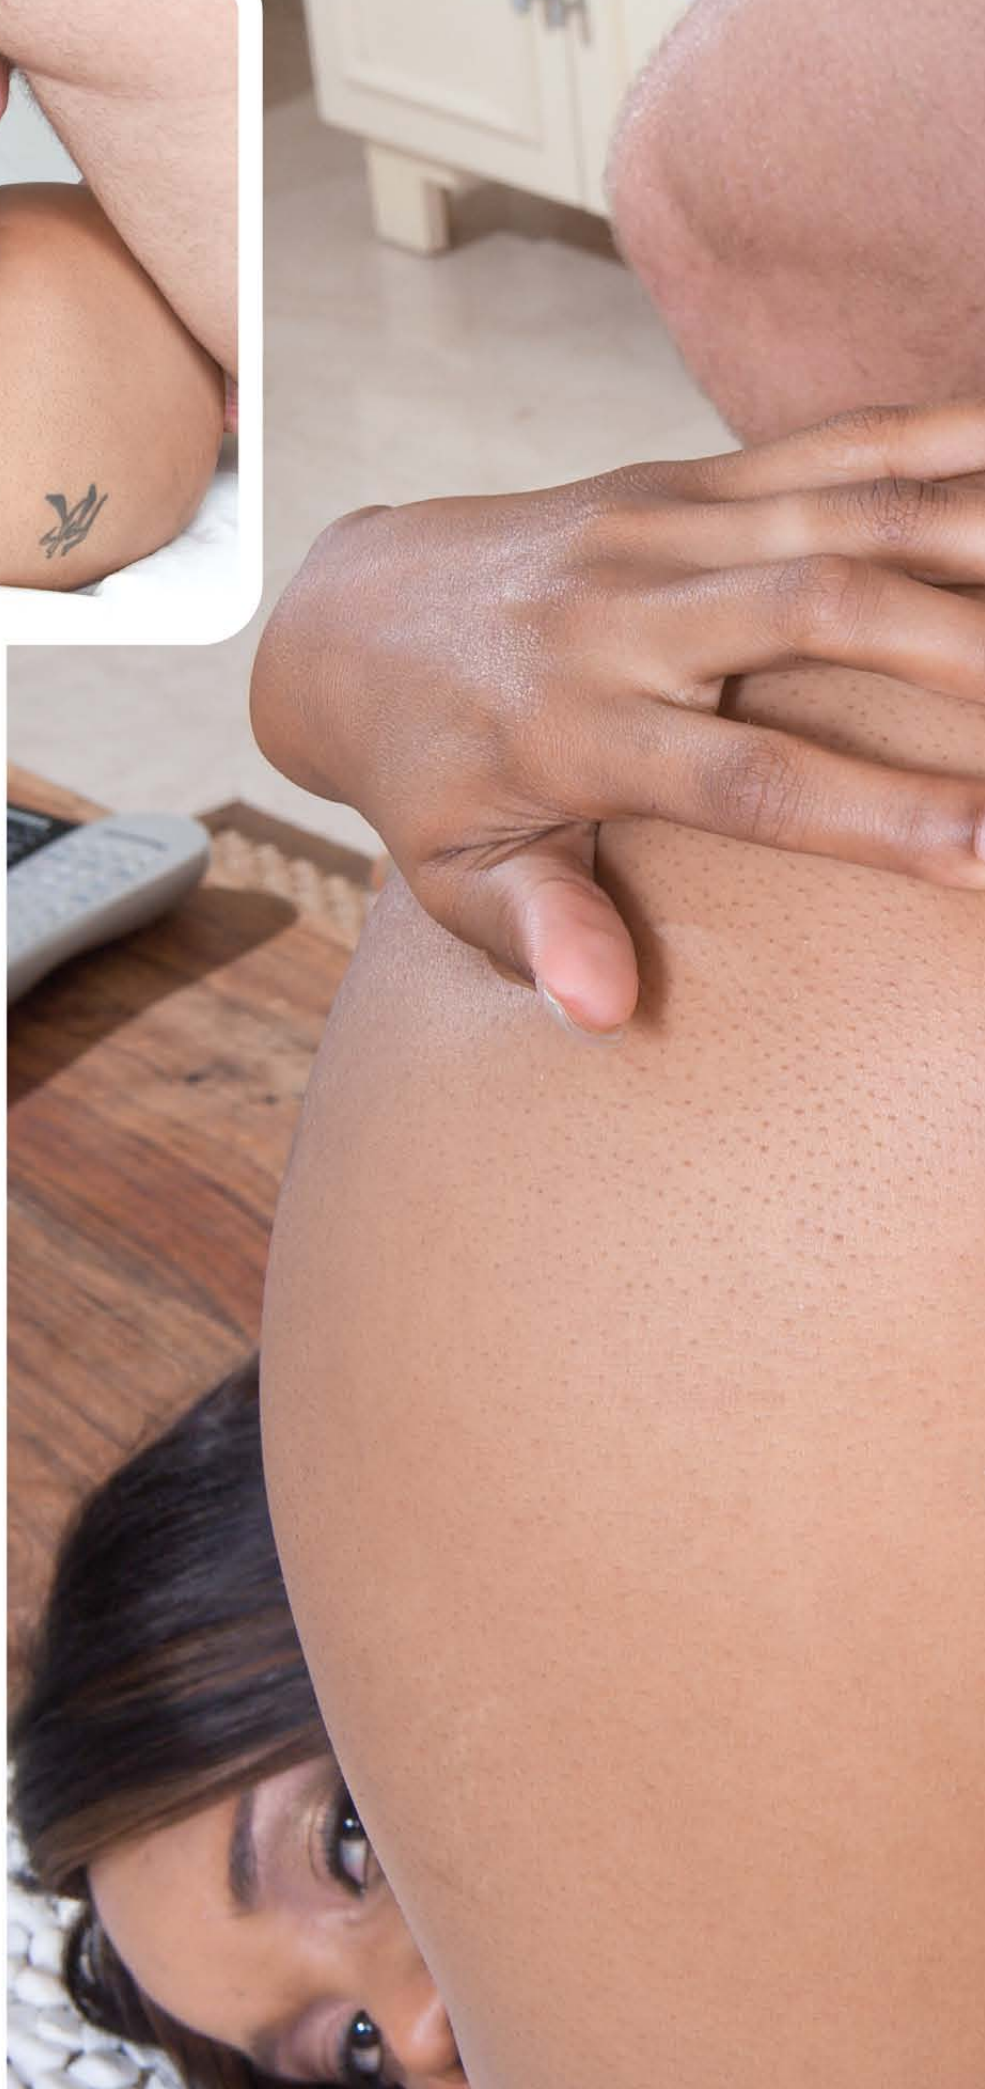

"I have an arsenal of tricks. You know, little techniques I have picked up here and there. Sometimes I like to suck on it with an ice cube in my mouth. And sometimes I like to take it out of my mouth and slap it all over my face a little bit. I just started using lube on my hands so I can give the balls a massage while I suck, too."

Well, that lube might come in handy when you ask for an anal drilling.

"You know it! I get so excited just feeling the lube making my fingers really slick because I know that soon there will be a big, slick dick nudging my asshole open. I think that I may even like getting ass fucked more than I do giving head, if you can imagine that. [*Laughs.*] I get really pissed when I am fucking a guy and I tell him to put his dick in my ass and he says no. I mean, who doesn't love fucking a booty like mine? I don't get turned down often, but when it has happened, I usually improvise. I tell him that he can beat my pussy up, but that I really want him to fill my asshole up with cum. Guys never say no to that!"
